VOL. XLVII. UPLAND, CALIFORNIA, FRIDAY, NOVEMBER 14, 1941. NO. 55.

Red Cross Stresses Need For Generosity This Year

TABLES, WORKERS TO BE IN STORES TO AID CAMPAIGN

With over $800 received during the first two days of the Red Cross roll call, approximately one-third of the minimum quota enrollment of 1989 members assigned to the Upland chapter has been secured, it is announced today by H. M. Guy, chairman of the annual drive.

Alta Loma turned in $80 the first day of the roll call, and this is considerably over the Foothill community's usual total membership—and members are still coming in there.

MUST KEEP UP WORK

Although off to a good start, the fact that only one-third of the membership is signed up indicates that there is still a great deal of work ahead for those conducting the drive. There are many hundreds of people not yet signed up who should do so within the next few days.

To intensify the effort to contact Upland residents, tables have been set up today throughout the business district, and workers in attendance will receive subscriptions for Red Cross membership. The tables are located at the First National Bank of Upland, the Bank of America, the J. J. Atwood store, and the post office. Workers will be on duty at these places every day through next Wednesday to receive Red Cross enrollments.

NEED IS GREAT

Everyone is urged by the drive committee to consider that every membership is needed this year as never before. The demand upon the Red Cross is very great today with war relief to do, and the United States army and navy to serve, besides continuing local services which the Upland chapter itself has maintained for years.

Upland chapter still conducts first aid, water safety, and disaster relief classes, and maintains local first aid stations in Etiwanda and at Camp Baldy. It also administers necessary assistance locally to those who need and deserve it.

Armistice Storm Keeps Rainfall Ahead of 1940

From warm sunshine in the morning Armistice day skies shifted to gathering clouds which, by late afternoon, began a gentle precipitation, continuing into the early hours of Wednesday morning and leaving a storm rainfall of .52 inch.

The season's total rainfall was raised to 2.57 inches, nearly one-quarter inch more than the rainfall at the same time a year ago when it was 2.40 inches.

Camp Baldy ranger station registered .43 inch of rain during the storm to raise its total for the season to 3.11 inches against 2.68 inches for the same date last year. For the second time this season, Upland registered more rainfall for the storm than the canyon country. No snow fell in the Baldy area during the storm, resorts reported.

It is predicted that the past three days of clear weather are to give way to additional storms over the coming week end.

Wm. S. Avery Will Go With Daughter To Puyallup, Wash.

Accompanied by his daughter, Mrs. A. W. Sidders, Wm. S. Avery will leave Saturday for his new home in Puyallup, Wash.

Mr. Avery has lived in Upland for 20 years, operating the Upland Inn during that time.

An active member of St. Mark's Episcopal church and of the Upland Masonic lodge, Mr. Avery also has been interested in the civic affairs of the community, being one of its best known citizens.

Six months ago Mr. Avery suffered a paralytic stroke and during all of that time his daughter, Mrs. Sidders, has been with him. She now is taking her father to her home in Puyallup and he has expressed pleasure over the prospect of going to the northern city.

Mr. Avery will be taken by ambulance to Los Angeles Saturday and they will leave there on the Southern Pacific at 7:45.

In speaking today of her father's departure, Mrs. Sidders expressed deep appreciation of the many kindnesses shown Mr. Avery during his illness and of the courtesies extended to her by his friends.

Tax Collector Is Kept Busy Today

Taxpayers kept tax collectors busy at the city hall today.

Bea Roberds, deputy county tax collector, received payments from many property owners who paid the first half of their 1941-42 tax bill.

FROST WARNINGS BEGIN TOMORROW

Frost warning announcements by Floyd D. Young, United States meterologist, with headquarters in Pomona, will begin tomorrow night at 8 o'clock over station KFI, opening the twenty - fifth year of this valuable service to southland citrus growers.

Upon Mr. Young's predictions, citrus growers can accurately gauge the weather and know definitely whether to resort to orchard heating.

Conditions this year, according to Forecaster Young, can be serious due to weather conditions. Growers are being urged to lay in sufficient oil to carry their heating operations for at least several nights. Tank car shortage is the most serious obstacle to sustained firing, and usual reserves of oil have not been set aside for this purpose by oil companies.

Forecasts, too, have been impaired because of the war due to meager reports of weather conditions from ships at sea. Weather bureau staffs also have been depleted as a result of the draft. According to Mr. Young, the frost warning service covers about 91 stations.

R. D. Rogers, the local representative of the U. S. weather bureau, is on the job here for his fifteenth consecutive season. He returned to the Upland district several weeks ago preparatory to start of work and he will assist Mr. Young in preparing the local forecasts.

ACCOUNTING, LAW FIRMS MOVE SOON

Changes will be made shortly affecting the business locations of two Upland professional men, when Stearns Ingalls, who has maintained his C. P. A. office in the rear of the chamber of commerce office, and Richard Ibanez, whose law office has been located upstairs in the Mehl building, will take joint tennancy of the former Clark market building, which has recently been remodelled by Don E. Palmer.

The building is being vacated today by the American Red Cross, after which additional remodeling will be done to make it suitable for the new tenants. A partition will be installed down the center of the building to separate it into two separate offices. Mr. Ingalls' accounting office will occupy one side, while Mr. Ibanez will establish his law practice in the other.

Remodeling work will begin at once.

EXAMINER FOR CAR DRIVERS WILL BE RE-LOCATED HERE

An examiner to handle applicants for automobile drivers' licenses has been alloted to Upland, he to serve here one day a week.

This word was brought to Upland yesterday by Paul Mason, head of the division of drivers' licenses, department of motor vehicles, and by Sam Bagby, supervising examiner. They conferred with H. M. Guy, secretary of the Upland chamber of commerce, who had diligently sought the reestablishment of an examiner's office here.

Three years ago the state department discontinued its examining services here and since then the chamber leaders sought to get the service reinstated. The two state officials said they would assign an examiner here in the near future.

This will mean that persons wanting to renew their drivers licenses or persons wishing to get their first licenses may do so here, rather than having to go to an examiner in either Ontario or Pomona.

The examiner's headquarters are to be provided by the chamber of commerce. The examiner is expected to devote one full day here to conducting tests.

OPM Official Visits Mother, Who Heads Casa Colina Work

Assistant director of priorities for OPM, Blackwell Smith, was a business and "family" visitor in Claremont yesterday.

In California aiding to straighten out the confusion of aircraft priorities, Mr. Smith visited his mother, Mrs. Frances Eleanor Smith, "American Mother" of 1936, who directs the work of Casa Colina near Chino, and also his sister, Mrs. A. B. Crittenden of Claremont.

NEW ROAD TO S. A. CANYON PLANNED

Surveys are now being made for a new high line road which is to be constructed into San Antonio canyon next spring, it has been announced by O. F. Cooley, Los Angeles county road commissioner.

The section of the road to be built on a higher elevation will extend south from the "hogsback". This section has been washed out repeatedly and it has been decided that the only way to prevent these washouts is to realign the road to a higher level along the side of the canyon.

Paper Drive for Soldiers Continued

The paper drive conducted by the Mantle club of Los Angeles county and the Independence club of this district will be continued through this week end, John Buckwalter reported today. Proceeds of the sale of the paper will be used to finance the entertaining of soldiers from Imperial valley in Los Angeles over the Thanksgiving holiday. People with paper for the drive may telephone Mr. Buckwalter, 562 Eighth avenue, telephone 314-230.

Twenty-two tons of paper have been obtained in the drive so far. Members of the Independence club here are Audrey Yardley, 392 East Arrow highway; Dupress Townsend, South First avenue; William Wolfinbarger, Bank of America employe; Elam Dohner, proprietor of Richfield service station, and Leslie Unruh, First National bank employe.

TO ELECT OFFICERS

Cucamonga Water company will hold its annual meeting of stockholders at the company office in Cucamonga on Monday afternoon at 1 o'clock. John Klusman, president, will preside at the meeting which will elect the board of directors for the coming year.

Selective Service Now One Year Old; 13 Called On Anniversary

Announcement of the nineteenth selective service call for 13 men to report for army duty on December 3 was made today by Eric V. Rhenstrom, clerk of Upland board number 149.

The group reporting at the local board office at 7:30 a. m. is scheduled to leave Upland on the 8:28 Pacific Electric bus as usual. Names of men called will be announced in a week or so.

FIRST YEAR

It was just one year ago this week that the first selective service quota of four men for the Upland board was announced. The quota was made up of volunteers, and included two men from Upland, Max Hobbs and Cipriano Hernandez.

The 13 men included in the Nineteenth quota announced today will bring to 211 the total number of men who have gone into army service through the Upland board in the past year since the selective service system began to function. The 19 calls make an average of better than one and one-half calls per month for the year, with the number of men per call averaging about 11.

SPRAWLING TERRITORY

The selective service system now enters upon its second year, with the Upland board functioning smoothly despite the extensive and unexplainable expanse of its territory into distant mountains and desert country—nearly to the California-Nevada state line.

Mr. Rhenstrom has ceased to wonder at the vastness of the local board's territory, but does maintain that he believes Upland board has about the largest square mileage of any board in the country.

GRIER PRAISED FOR REEMPLOYMENT AID

C. E. Grier, chairman of San Bernardino county board of supervisors, who also is a member of Governor Culbert L. Olson's state coordinating committee on reemployment, received high commendation from Governor Olson for his outstanding service to the state.

The governor's letter to Mr. Grier read in part:

"A program of reemployment must of necessity be formulated slowly and soundly, and I note that actions of your group have been directed toward a solution of many fundamental problems.

"I am relying on this committee for real accomplishments in meeting present needs for employment of those least employable in industry as well as for aid in the development of long range plans to provide employment for the huge number of workers who will be displaced when defense industries close.

"If your committee will proceed along the avenues it has now opened and continue your work, you will have contributed invaluable service to the state of California and its citizens."

Several Families Make Home Changes

Moving days this week find several changes among Upland residents.

The J. H. Hartzogs have moved from 313 Eighth avenue to 439 East Ninth street, while the M. E. Walks are moving from 744 East Ninth street to 221 South Euclid avenue.

Mrs. E. J. Mitchell, who resided at 221 South Euclid avenue, has moved to 423½ South Vine street, Ontario.

SIGNAL ON EUCLID SOON—IS HOPE

Although prospects for the new traffic actuated signal light to be installed at Euclid avenue and Foothill boulevard are more or less uncertain at the present time, City Manager R. G. Manley today expressed the hope that the signal may be installed in the not too distant future.

Companies which install such lights have been so busy making similar installations in the teeming San Diego defense area and other localities that they did not even bid when the Upland project was advertised several months ago. Restrictions on critical materials also have had a bearing on the delay.

However, Mr. Manley was advised by the highway department office in San Bernardino this week that the project will be advertised for bids again just as soon as it is certain that there will be some bidding. Contacted to learn when they might be ready to bid on the signal light work here, companies working in other areas hinted that they might be through soon, thereby rekindling a glimmering hope that the Upland signal installation is not too far off.

RELIEF COSTS IN DROP, LIONS TOLD

Fewer people are on the county's relief rolls and the average payment going to the individuals is lower now than formerly, George K. Wyman reported at the meeting of the Upland Lions club at noon yesterday in the Red Hill Country club house. Even at that, however, the department will find it necessary to spend about half of the county's total financial budget during the fiscal year on relief, explained the man who recently became the director of the department.

One of the youngest men heading a county department, Mr. Wyman told of the efforts to be fair to the applicants as well as to the taxpayers. Increased opportunities in private employment was given as one reason for a decrease in the number of welfare department clients.

State and federal laws govern the allotments going as aid to the aged, to the unemployables, to the blind, orphans, widows and others served in his department, he pointed out. It is up to his department to see that the intent of the law is fulfilled, the speaker declared with emphasis.

Ernest "Bud" Camfield, a junior high school teacher, and the newest club member, gave a "birthday" talk. He will succeed Mrs. Earl H. Johnson as club pianist. Mrs. Johnson was presented a gift as a token of the club's appreciation for her services.

Clyde DuVall served as commentator for the day, with President Leigh Thompson in charge of the meeting.

Representing the club, Secretary Glenn Atwood attended the Citrus Belt council meeting at Big Bear last night.

TWO THANKSGIVING SERVICES PLANNED

Sponsored by the Upland Ministerial Union, two union Thanksgiving services will be held next Thursday, Nov. 20, it was announced today by Dr. Samuel Hughes, president of the Union and pastor of the First Methodist church.

The first service will be held at 7:30 a. m. in the First Methodist church, with the Rev. George West Barrett, rector of St. Mark's Episcopal church, delivering the sermon. The music for the service will be provided by the Methodist choir.

At 10 a. m. the second union service will be held at the Upland Church of the Nazarene, with the sermon being delivered by the Rev. Earl Salzman of the First Mennonite church.

Providing the music for this service will be the Aeolian Musical Messengers of San Diego, an evangelistic group who are conducting a series of meetings at the Church of the Nazarene.

The Ministerial Union extends an invitation to members of all the churches in Upland and to all other persons to attend one or both of these services.

CHRISTMAS STREET DECORATIONS TO BE CONSIDERED SOON

Christmas is just one month distant, come one week from next Tuesday, and with that knowledge in mind, Sam Rowe, chairman of the business promotion committee of Upland chamber of commerce, is preparing to marshall support and plans for the community's annual holiday street decorations.

Upland has always been in the forefront with an attractive Yuletide display, and Mr. Rowe plans that this year's decorations shall be in keeping with precedent. To this end, he will call a dinner meeting of all Upland merchants early next week for the purpose of submitting and discussing plans and ideas for the coming Christmas season's street decorations.

Habit Subject of Mrs. King's Talk Thursday Morning

In the third of her scheduled series of lectures on parent education, being sponsored by Chaffey junior college and the Parent-Teacher associations of the Chaffey district, Mrs. O. H. King of Pomona discussed habit-making at the meeting Thursday morning.

The session was held in the junior college lecture room. A large group from the Upland P.-T. A. was in attendance.

Mrs. King's specific topic was "Make Your Habits Your Friends". She told of the ease with which children acquire habits, bad habits as well as good ones, and cautioned the parents concerning their responsibility in seeing that good habits are encouraged and bad ones eliminated.

Mrs. King's thought was that good habits are good friends and are well worth cultivating. Character is developed by the exercise of habit, she pointed out, and a child's habits determine his behavior.

EUCLID HYDRANT USE RESTRICTED

Evidencing a desire to give full cooperation to local business which is an important part of the community, and seeking equal cooperation, Upland city council last night approved a communication to local spray operators that in the future spray rigs will secure water from hydrants located one block on either side of Euclid avenue.

The action was taken with a view to protecting the city as well as sprayers against any adverse contingencies. Numerous communications have been received by the city pointing out that use of fire plugs along Euclid avenue has caused many intersections to be left in a dangerous slippery condition from water and oil from the spray rigs.

As a result, and in order to forestall the occurrence of any accidents, the city no longer will issue permits for use of fire plugs on Euclid. In the communication, the city also asks that the vicinity of fire plugs which are used be kept clean, so as to protect the city and all concerned against any liability which might arise from such use of public facilities.

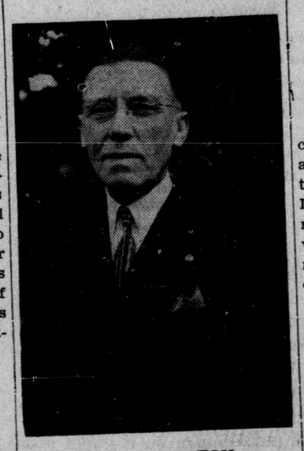

W. C. T. U. Supports Local Option Move

The county executive committee of the Woman's Christian Temperance Union is on record today favoring the current campaign for local control of liquor. A resolution calling on the churches and other agencies for a more aggressive campaign was endorsed at a meeting in San Bernardino yesterday.

One feature of the meeting was a report of the recent state W. C. T. U. convention. Mrs. Lewis Jenison, a county officer, was among those reporting on the convention.

R. C. Norton Becomes City Clerk of Upland

Is New City Clerk

RAY C. NORTON

who was appointed city clerk by the city council last night. He will serve under the appointment until the municipal election next spring. Mr. Norton was city clerk in 1906, when Upland was incorporated.

NORTON RESIGNS FROM UHA BOARD

Following his appointment to the office of city clerk, R. C. Norton this morning acted immediately to tender to Upland Housing Authority his resignation as a commissioner, a position he has held for several months, being appointed to fill out the unexpired term of the late G. A. Hanson.

"Mr. Norton has given valuable service to the housing authority during his brief period of service, and his resignation is very much regretted by all members of the housing board", Paul L. Schowalter, chairman of the housing authority said today, when informed of Mr. Norton's resignation.

Mayor D. J. Cameron said that due to the sudden turn of events he naturally had no one in mind to fill Mr. Norton's place with the authority, but indicated that the city council would in all probability consider the appointment at its next meeting.

Time for Last Mail Dispatch Advanced

The "clean up" mail dispatch from the Upland office is 5:50 p. m. instead of 6:50 p. m., effective today, according to Roy A. Ray, mail supervisor at the local office, reported. The 5:50 dispatch is the last one for the day.

Mail from here is taken to Los Angeles for dispatching to all points.

$73 IS TOTAL OF DIVIDEND DAY SUM

The important message on page seven in today's Upland News emphasizes the fact that $73 will be offered to some local resident on Monday night.

That sizeable total is offered by Upland merchants as the dividend day award tomorrow. Customers buying at the stores advertising on page seven will qualify for the large sum.

From the directory-of-every-home in the district, an address will be selected. The dividend day messenger will go to that home between 6 and 7 p. m. Monday and offer the jack pot total.

GROCERY MONEY AWARDED

Mr. and Mrs. Eldon C. Atwood, 368 Laurel avenue, were last night awarded the $15 offered by The News to mid-week customers of the advertising food stores. Their address was selected from the directory and they had the sales slips.

CITY COUNCILMEN VOICE UNANIMOUS VOTE IN SELECTION

R. C. Norton is the new city clerk of Upland. Mr. Norton's appointment to the position to fill the unexpired term of the late J. Lynward Grahame was made last night by a unanimous roll call vote of the city council, with all members present at the adjourned session.

The appointment was made from a field of seven applicants, and it was the consensus of the council that Mr. Norton was eminently qualified by training and experience to take over the duties of the office, which are of an exacting nature. In filling the position, it was the expressed desire of the council that the appointment be made with a view to eliminating any costly and delaying period of training for the new incumbent.

WELL QUALIFIED

Mr. Norton's qualifications eminently answered these requirements. He is thoroughly familiar with the work, having served in the past as a member of Upland city council and as secretary of other organizations. Besides this, he recently retired as manager of the Upland branch of the Bank of America, and the accounting problems of the city clerk's office will be routine matters for him to handle.

Ernest C. Mehl, who has handled the duties of the city clerk's office for the past several weeks, was given a unanimous vote of thanks by the council for his timely assistance, for which Mr. Mehl refused any remuneration.

Incidentally, Mr. Norton was this city's first clerk, he having filled the position when Upland was incorporated in 1906. Later, he served as a city councilman.

Dr. Engle Carries Heights Residents On Pictorial Tour

Speaking at the meeting of the San Antonio Community Heights League held last evening in the Eighteenth Street school auditorium, Dr. Irvin A. Engle of Glendora, presented a vivid word and pictorial story of life in the lush, semi-tropic island of Puerto Rico.

Displaying a large map, Dr. Engle located the island 1000 miles southeast of Key West, Florida, and explained that the population of about 1,300,000 is one-third Negro and two-thirds white, Americans and Europeans.

Puerto Rico is a United States possession acquired in the war with Spain in 1898. The inhabitants were granted U. S. citizenship in 1917.

Dr. Engle, former pastor of the Upland Methodist church, spent a year teaching in the University of Puerto Rico and he gave first-hand information concerning the people and their manner of living.

He showed many stereopticon pictures of Puerto Rican scenes, a large number of them being beautifully colored.

The slides showed the agricultural pursuits, picturing the workers on the coffee, cane, tobacco, rice and banana plantations.

Beautiful estates and modern buildings in the cities, were contrasted with the crowded huts of the Negroes.

Education is now compulsory in Puerto Rico, Dr. Engle stated, and illiteracy has dropped from 85 per cent in 1898 to 40 per cent at present.

Dr. Engle invited questions during the showing of the slides and he stopped frequently to give explanations to his very interested audience.

Dr. Chas. B. Taylor, president of the League, presided for the first time since his illness. An informal hour followed the address.

The Upland News

Established in 1894

Published every Tuesday and Friday afternoons at 170 North Second Avenue, Upland, California. Telephone 311-06. Entered at the Upland post office as second class mail matter. Annual subscription is $2.50; single copies, five cents.

Vernon V. Paine.....Editor

Upland has a population of 6,316 (1940 census). It is located on Foothill Boulevard in San Bernardino County; 34 miles east of Los Angeles and 20 miles west of the city of San Bernardino.

TODAY'S BIBLE VERSE

Abide in Me and I in you.—John 15:4.

Nation's No. 1 Reporter Is Encouraging

It is reassuring to hear a man who knows "What Goes on in Washington" express optimism over the defense effort and the political situation.

Fulton Lewis, Jr., had some mighty fine words for President Roosevelt and an "increasing number" of able assistants who are getting things done. Speaking as a "reporter", the noted news commentator told an audience in Claremont the other night that defense materials are being produced on a very satisfactory scale and that there will be a tremendous increase in airplanes, tanks, etc., during the next few months.

But he sounded a terribly sour note about Washington conditions in general and Sidney Hillman and Leon Henderson in particular. Hillman, the CIO labor leader, the No. 1 labor representative in the federal government, is a political scapegoat, Lewis said. He has made a "deal" with the American Federation of Labor to force all men on defense construction jobs into the A. F. of L. The commentator reviewed the Detroit incident, where a low bidder on a federal housing project was turned down "because the bidder was CIO". The president has put Hillman on the spot and out he may go . . . .

Fulton Lewis is noted for speaking his mind and for his ability in analyzing situations. Again and again he emphasized that the country is getting along all right in the crisis, even though thieves of all kinds are flooding Washington. Some of the thieves, he explained, are pick-pockets, who snatch women's purses—and some are thieves who snatch millions from the U. S. treasury.

President Roosevelt is desperately trying to open up the bottlenecks and clear up the mess and confusion that resulted from a gigantic start on the defense program. While there may be several "Hillmans", there are many able department heads and many men who are efficient and are "getting things done".

Human Element Important in Attracting Industries

The campaign to bring more industries to this county is producing results—and how?

Due to their location or some other physical asset, some communities just naturally become industrial centers. Most places, however, get big, new industries because of the human element—the leadership.

That is the case in this county. Cal-Aero academy and other county-sponsored projects would never have been realized had it not been for certain key individuals, working at the right time and in the right way.

The most recent industrial acquisition for the county surpasses everything yet realized—the airplane maintenance and supply depot. This $15,000,000 project is to be erected immediately in San Bernardino.

C. E. Grier says this is only the beginning—not the end of the county supervisors' program to secure more industries. Mr. Grier should know, for he is the man who, through leadership and endless work, is largely responsible for what has been realized in industrial development. It's the leadership that counts, and Mr. Grier and his fellow supervisors are among the key men in this highly successful program.

Sunshine and Youth

Next time a skeptic expresses doubt over the merit of California weather and sunshine, it won't be so hard to silence him.

The impartial inquiries of science, after checking body measurement of 147,000 children in all the country's major geographical areas, find that California's youngsters are both taller and heavier than children in other areas. The study, carried out by U. S. government agencies with the cooperation of research centers, covered the ages of 6 through 14. At the age of 7, California boys were already slightly taller and heavier than those of other states. They kept on increasing their advantage until at the age of 14 they were 10 pounds heavier. The same held true for the girls.

California, clinching another claim to bigness, gains proof that her famed sunshine isn't just talk. It's a builder of sturdier youth.

REVIEW OF BOOKS AT LOCAL LIBRARY

BY MRS. GEO. W. WEST,
Upland Public Library

That the Upland public library continues to fill the front-line trenches as an adjunct to adult education is well born out by the extensive list of daily questions which pour over the librarian's desk. These tend to show, more than any other way, the important place the local library holds in the minds of residents.

Technical books which may help to meet the ever-increasing demand for vocational help, as well as give up-to-the-minute information on important mechanical problems, help to round out the list of new additions to the library's shelves. With a view to keeping abreast of the times, several late volumes are included: namely, the latest edition of Dyke's "Automobile and Gasoline Engine Encyclopedia", "Lessons in Arc Welding", "Simple Blueprint Reading", and "The Aviation Mechanic" by Norcross. "Getting Acquainted with Radio", by Alfred Morgan, describes the principles of radio, its workings and the construction of simple transmitting and receiving sets. The author has simplified his text and line drawings so that the subject may be understandable to anyone, youth or adult, who is interested in radio.

A six volume set on the "Diesel Engine" supplements and brings up-to-date the shelf of books already in the library dealing with construction and maintenance in this important field.

The prospective home owner who plans, and who may even help exxecute, his own modern dwelling, is not overlooked. The "Arts and Decoration Book of Successful Houses" proves to be a valuable, as well as a delightful, help to every home owner. "Old Houses in England", by Hunter, may also be included in this category.

CONSTRUCTION IS STARTED ON LINK BETWEEN PLANTS

Construction of a connecting passageway between the American Fruit Growers' packinghouse and the Stewart packinghouse, recently purchased by the AFG, has been begun this week, with W. C. Cline, 895 Washington boulevard, in charge of the work.

The new link between the buildings will provide connections for the basements as well as the main floors and will be 13 feet wide with a 12-foot overhead clearance. It is anticipated that the new passageways will be completed for use by about December 1, it was said by A. W. Drexler, plant manager.

The old Stewart house will be incorporated with the facilities of the American Fruit Growers as a storage plant, with air conditioning of the latest type.

RED CROSS JOBS LARGE AND SMALL

As the only outside agency authorized to conduct a day by day program on army and navy reservations, the American Red Cross has accepted greatly widened responsibilities under the national defense program. By congressional obligation, the Red Cross performs these services which, by their very nature, do not fall within the responsibility of the army and navy. Such services range from helping a worried recruit reach the side of his ill mother to the task of a coast to coast chapter program geared to produce 40,000,000 surgical dressings.

Join RED CROSS

During the past year, Red Cross representatives stationed in military and naval reservations dealt with a total of 126,515 cases involving active service men or their families. Chapters performing a similar service handled 29,147 cases.

Red Cross work in the field increased 140 per cent in volume over the preceding year—reflecting the growth and added responsibility in time of emergency.

In caring for the needs of the new fighting forces, the ex-service man was not forgotten. Chapter workers reported handling 127,098 cases, while national Red Cross representatives in regional offices of the Veterans Administration dealt with 51,729 cases.

These services are made possible through professional staffs and volunteers in 10,000 chapters and branches in virtually every community in the nation and through maintenance of a trained staff in every military and naval station in the country.

This year the Red Cross is calling for the largest roll call membership in its history and the demand made upon this greatest of all organizations of mercy is evidence why every household and place of business should join 100 per cent.

DRUNK DRIVER JAILED

Lasaro A. Silva, Cucamonga, arrested Wednesday on a charge of operating a motor vehicle while intoxicated, was sentenced to 50 days in San Bernardino county jail by Judge James Sharp.

Australian research workers find that one of the first symptoms of scruvy is lassitude or "that tired feeling". Adding foods such as oranges and lemons, rich in vitamin C, which combats scurvy, increased energy and the ability to perform physical tasks.

TIME PASSES

(News items from the files of The Upland News)

14 Years Ago

H. C. Naylor, secretary of the Upland Business Men's association, stated today that 98 per cent of the business houses have signed up for the Christmas tree decoration of the business section. The Christmas trees and the lights have been ordered.

Mr. and Mrs. Geo. L. Winter will leave tomorrow by motor to spend the week end in Santa Paula with Mr. and Mrs. John L. Avery, former residents of Upland. At Sierra Madre Mr. and Mrs. Winter will be joined by Miss Sue Brobst.

The Upland Business and Professional Women's club is closing its community cottage on East Ninth street. Mrs. R. C. Williams, president of the club, has named Mrs. R. N. Leahy, Mrs. S. M. Jessup and Mrs. J. H. Freeman as a committee to have charge of the sale of furniture, kitchen furnishings and chinaware at the cottage Monday afternoon and Tuesday morning.

Mrs. J. Emery Sargent, president of the Upland Woman's club, attended the Southern District convention closing today in Palm Springs after a five days session.

Miss Lysle Merchant, who is attending the San Diego State Normal, spent the week end here with her parents, Mr. and Mrs. James Merchant, of 515 East Ninth street.

Mrs. D. D. Crew was elected worthy matron of Upland chapter, Order of Eastern Star, at the meeting held Monday night.. Mrs. O. P. Brady was named associate matron.

10 Years Ago

One among six county teachers to be recommended for the honor, Archie L. Moore of Upland, Chaffey teacher, has been awarded a life teaching certificate.

The old Eckstein home on Euclid avenue above Nineteenth street is being moved to a lot in Ontario. The resident was occupied by Mr. and Mrs. Eckstein before they moved into their recently completed home.

All the Alta Loma firemen need now is a good fire to demonstrate their fine new fire engine. All equipment is ready but the community has not had a fire in several months.

Completely and very happily surprising Mrs. A. E. MacLaren, fellow members of the Upland post office staff and their wives gathered last evening at her recently occupied home, corner Third avenue and Ninth street, and held a merry housewarming.

Completing a three months motor trip through the major portion of the United States, Mrs. W. B. Stewart's motor party has returned home. Mrs. Stewart was accompanied on the long journey by her daughter, Miss Agnes Stewart, Miss Katherine Puehler and Harold R. Snyder, who drove the car.

Mrs. Nora M. Eells, president of the Upland Woman's club, and several other members are attending the thirtieth annual convention of the Southern district being held at Laguna. Others in the group are Mrs. J. Emery Sargent, Mrs. P. H. McQuillen, Mrs. S. M. Jessup, Mrs. J. F. Sawyer and Mrs. H. O. Blohm.

MAN LOSES SECOND BRUSH WITH DEATH

Wet pavement from Tuesday night's rain was blamed for a skid accident at 12:30 a. m. Wednesday which proved fatal to Levi E. Burrow, 27, 146½ North Campus avenue, Ontario, and caused serious injuries to his wife, Velma, 24, when their car skidded and crashed into a palm tree at the entrance to the Waters Nursery, 1263 West A street, Ontario.

Returning from an Armistice Day outing, Mr. and Mrs. Burrow were arriving in Ontario just past midnight, when for some unaccountable reason their eastbound car skidded on the wet pavement, went out of control and hurtled into the palm tree, completely crushing the left side of the car.

Rushed to San Antonio Community hospital, Mr. Burrow was found to be dead upon arrival. Mrs. Burrow suffered a broken collar bone and possibly a broken neck and fractured pelvis. Her condition is reported very serious.

Mr. Burrow only a few weeks ago narrowly escaped a rendezvous with death when he drove his car into the side of a switching freight train during an early morning fog at a Campus avenue crossing. At that time he received only a cut on the head.

Besides his widow, Mr. Burrow is survived by three children, Norman, Raymond and Gloria; his step-father and mother, Mr. and Mrs. William M. Riley; two half-sisters, Misses Beulah and Natalie Riley, and two sisters, Mrs. H. E. Lackey and Mrs. N. E. Berry, all of whom reside in Ontario, and a brother, Raymond R. Burrow, 331 North Fourteenth avenue, Upland.

BETHEL CONGREGATIONAL
Charles L. Knight, Minister

9:45 a. m.—Church school; class for upper high school and junior college students, led by the minister.

11:00 a. m.—Thanksgiving message, "Remember the Giver", tenth sermon of the series on "Practical Christianity and Modern Psychology".

6:30 p. m.—Young People's Pilgrim Fellowship meets; Betty Davenport, president; Charles A. Smith, advisor.

7:30 p. m.—Motion picture, partly colored and partly black and white, on "South Sea Islands".

AT PLAYHOUSE

Under the currently defrosted label of winter play schedule, Pasadena Community Playhouse slates four playbills that, en toto, use the letter V as a symbol, but this time to spell variety.

William Saroyan comes back to the Playhouse with the national premiere of his latest, "Jim Dandy", November 25 to December 6. Chock with typical Saroyan non-conforming twists but guaranteed as a rare evening in theatrical entertainment, "Jim Dandy" finds itself in a public library. But outside of a "must not do this or that in the public library" librarian, there is small reference to book shelves in general.

Last winter was the warmest winter in 20 years in the California citrus area.

Crappie Caught in Record Number as Fishermen Do Stuff

Reporting the results of their food sale on Friday, the pupils of Miss Florence Armstrong's fourth grade room announced that they earned $5.08 from the sale of cookies, cup cakes and cakes.

The money from the food sale is to be used to defray expenses of a trip to San Gabriel mission which the room plans to make in connection with their study of California missions.

Ten room mothers were guests of the fourth graders for lunch in the school cafeteria on Friday.

Public Notices

ICE HOUSE CANYON CABINS RANSACKED

Ransacking of several cabins in Ice House canyon was reported to Upland police Wednesday morning by C. D. Plank of Trail Inn, who called for sheriff's deputies to make an investigation.

A checkup immediately begun by Deputy Sheriff Cecil S. Myers, aided by rangers of the Camp Baldy guard station, disclosed that five cabins had been entered and completely ransacked, entrance being gained by breaking doors or windows. Evidence appeared to indicate that the looter or looters may have been searching for something of particular interest or value, since foodstuffs and other articles had not been removed.

Cabins entered belonged to residents of San Marino, Eagle Rock, Los Angeles, Lynwood and Long Beach.

Approximately 50,000 growers are members of fruit, vegetable and nut marketing cooperatives in California, according to the Farm Credit Administration. Business handled by these California organizations in the 1939-40 season is estimated at nearly half of the total for all three classifications in the United States.

SPORTSMEN APPEAL FOR FAIR PLAY IN RESTRICTED AREAS

Reported abuse by employes of the bureau of light and power of their privilege to enter the restricted area during deer season and taking deer at such times has been taken up with San Bernardino county district attorney.

During the last deer season employes of the bureau were reported to have shot deer in the fire restricted area. Although the taking of deer in the area is not illegal, sportsmen considered that the employes of the bureau were taking an unfair advantage of other hunters who were forbidden to enter the area. While the public is excluded from the area by fire restrictions, bureau employes are privileged to enter it on bureau work.

The matter was referred to C. E. Grier, chairman of the San Bernardino county board of supervisors by the West End Fish and Game association, and the board has taken it up with the district attorney. The hope was expressed by members of the West End organization that some appeal might be made to employes of the bureau of light and power through the spirit of sportsmanship.

News of Men In the Service

Ralph Owen, son of Mr. and Mrs. Charles E. Owen, West Ninth street, was recently selected by the U. S. Navy to enter a submarine school. One other member of the ship crew was selected, the two being assigned to the submarine base at Pearl Harbor, Hawaiian Islands.

Arthur Teeter has returned to Upland after being at Fort MacArthur eight months. He has been transferred to the reserve corps. He is a brother of Mrs. L. E. Griffith, 767 North Third avenue. Mr. Teeter is among the group who are being discharged on reaching the age limit.

City Issues Small Building Permits

A building permit was issued on Wednesdaay to George W. Cassell, 756 North Third avenue, for making alterations at the Cassell residence. Contract for the work has been let to Glenn H. Wright, West Arrow highway.

Safeway stores also was issued a permit this week for repairs to the store roof.

VIOLATORS TAKEN IN GAME REFUGE

Violators of game refuge regulations this week formed a procession through Judge Fred H. Jacobs' court.

Menroy Meyers, Los Angeles, was taken into custody late Monday afternoon near San Antonio falls, when he was found with a gun in his possession. He pleaded guilty to a charge of possession of firearms in a game refuge, and was fined $25, with $15 suspended, for the offense.

Shooting and possession of firearms in a game refuge was the charge lodged against Clarence M. Thornton, Inglewood, on Sunday morning, when he was apprehended at target practice in the picnic grounds near Camp Baldy. Thornton was released on $10 bail and a hearing of his case was set for tomorrow in Judge Jacobs' court.

Both arrests were made by Eugene P. White, forest ranger connected with Old Baldy guard station at Camp Baldy.

Alta Loma Fathers To Be Honored at P.-T. A. Meeting

Fathers of Alta Loma school children are to be honored in the evening of Wednesday, Oct. 19, when the Alta Loma Parent-Teacher association observes father's night during the regular meeting.

The Rev. Rex E. Lawhead of the Upland Presbyterian church, will be the special speaker, his subject being "First Line of Defense Through School and Church".

In the absence of Mrs. Fred Voss, the president, Boyd Lehman, principal of the school and second vice-president of the P.-T. A., will preside during the meeting.

Mrs. George Jackson will tell of Red Cross activities in Alta Loma.

In addition to the Rev. Mr. Lawhead's address, the program will include a Thanksgiving reading by Mrs. Jay Myers and a whistling solo by Mrs. William Ledig.

The meeting will be followed by a social hour, with the seventh grade mothers as hostesses.

HUNTERS URGED TO EXERCISE CAUTION

Pheasant season opens tomorrow, with a fair abundance of the game birds in this vicinity, it is said by the West End Fish and Game association. Two birds a day is the limit, and no hens may be taken.

The association cautions hunters to observe the rules of good sportsmanship. Inasmuch as the hunting area along the river south of Ontario is more or less populous ranch country, hunters should first secure the permission of ranchers to hunt on their property, the association advises.

Association officials stressed the matter of securing permission to hunt as a means toward building goodwill with ranchers. In the past, many hunters have been careless in this respect, which has made for bad feeling.

Another matter which has made hunting a sore point with ranchers has been the accidental killing of farm animals and damage to ranch property, one association official said. Horses and cattle and smaller animals and fowls have been killed by hunters and buildings have been hit and damaged. Such things do not add up to a "welcome" sign on ranch property for hunters, hence the association's counsel to sportsmen to get the permission of property owners and to be extremely careful in letting go at targets.

C. OF C. MEETS MONDAY

The board of directors of Upland chamber of commerce will hold its regular monthly meeting next Monday evening, Nov. 17, in the chamber office, at 7:30.

Upland Women Will Join in Ambulance Corps Manoeuvres

Ontario and Upland members of Company H, Women's Ambulance and Defence Corps of America, will participate in the realistic manoeuvres to be held Sunday afternoon in the National Orange show stadium in San Bernardino.

The manoeuvres will be conducted by the Third Battalion of the Women's Ambulance and Defense Corps, which includes eight companies, in Ontario, San Bernardino, Riverside, Redlands, Colton, Banning, Barstow and Victorville. More than 500 troopers are enrolled and the women devote two evenings each week to preparing themselves to serve their communities in time of emergency.

The program will demonstrate various means of rendering aid in the event of disaster by fire, earthquake, flood or enemy invasion. Each demonstration will be dramatic and exciting, featured by airplanes, ambulances, simulated gas attacks, etc. Prizes will be awarded for best drilled units and best exhibitions.

The public is urged to attend and learn of the work being done by the women.

DOG BITES WOMAN

It was reported to Upland police Wednesday by Mrs. J. H. Bledsoe, 457 North Campus avenue, that she had been bitten by an apparently vicious dog. The dog just happened to be about, it was reported, and for no apparent reason attacked Mrs. Bledsoe. Though painful, the animal's bite did not draw blood.

EXCHANGE ACREAGE IN BIG INCREASE

Net gains exceeding 6,100 acres featured the annual membership report at the weekly meeting of the California Fruit Growers Exchange directors.

The sharp increase in Sunkist membership is mainly due to affiliation of new associations, according to the report made by Fred F. Heydenfeldt, growers service manager of the Exchange.

The nine packing houses coming under the Sunkist banner during the membership year ending May 31, 1941, are Upland Cooperative Groves, California Associated Growers, Upland, Santa Ana-Tustin Mutual Citrus Association, Crafton Mutual Orchards, Inc., Hemet Mutual Groves, McDermont Fruit Company of Riverside, San Fernando Citrus Association, Lindsay Orange Growers, Sunflower Packing Corporation at Porterville.

Teachers Attend Institute Session

Upland Elementary school teachers who attended a county teachers' institute session held in Colton Wednesday afternoon included Mrs. Owen Atwood, Miss Florence Armstrong and Miss Ella Schmidt.

Business of the session was devoted to the creative arts, and particularly concerned writing and dancing.

CAL-AERO SET TO HOST GUARD PILOTS

West End skies will swarm Sunday morning with aerial activity when some 20 planes of the California State Guard will converge on Cal-Aero academy in the first mass flight of the Guard's two air squadrons sponsored by the Los Angeles junior chamber of commerce.

Pilots of the planes and West End chamber of commerce and civic officials will breakfast at the academy at 9 a.m., after which they will be taken on an inspection tour of the academy.

Besides plane pilots and officials, some 200 troops of the State Guard will be present to participate in the event.

Are you considering joining a MILITARY SERVICE?

Why not choose the NAVAL RESERVE!

AN IMPORTANT ANNOUNCEMENT
by the Secretary of the Navy

"All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be spared, regardless of the length of time remaining in their enlistment."

Frank Knox
SECRETARY OF THE NAVY

HERE IS THE OPPORTUNITY THAT THOUSANDS OF MEN HAVE BEEN LOOKING FOR

Here is your opportunity to have all the advantages and privileges of Navy life but with a shorter enlistment.

Many men do not realize—but it is a fact—that your pay, your training, and your chances for advancement in the Naval Reserve are exactly the same as in the Navy itself.

FREE TRAINING WORTH $1500

Take your own case. Let's assume that you have had no special training. In that case here is your opportunity to learn one of the Navy's 45 big-pay trades, from aviation engineering to radio. You may receive training worth $1500 the first year alone. In addition you get *all* the advantages listed in the second column of this announcement.

HIGHER PAY OPPORTUNITIES

But perhaps you have had special training or know a trade. In that case the Naval Reserve offers you the opportunity to use your knowledge. If you qualify (high school or college not necessary), you can join as a petty officer right away—with higher pay and allowances.

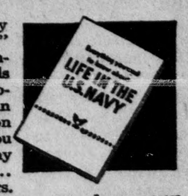

Also, if you have two or more years of college credits, there are special opportunities to become a Naval aviator or a commissioned officer.

LOOK WHAT THE U. S. NAVAL RESERVE OFFERS YOU

FREE TRAINING worth $1500. Nearly 50 trades and vocations to choose from.
GOOD PAY with regular increases. You may earn up to $126 a month.
EACH YEAR you are entitled to a generous vacation period, with full pay.
GOOD FOOD and plenty of it.
FREE CLOTHING. A complete outfit of clothing when you first enlist. (Over $100 worth.)
FREE MEDICAL CARE, including regular dental attention.
FINEST SPORTS and entertainment any man could ask for.
TRAVEL, ADVENTURE, THRILLS—You can't beat the Navy for them!
BECOME AN OFFICER. Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.
FUTURE SUCCESS. It's easy for Navy trained men to get good-paying jobs in civil life.

In any case, it is your chance of a lifetime to lead a healthy, exciting life . . . your chance to travel . . . and at the same time build a solid foundation for your future. There is nothing better than modern Navy Training for a successful career in civil life.

Get this FREE booklet

Mail coupon for your free copy of "Life in the U. S. Navy." 24 pages, fully illustrated. It answers all your questions. Tells what your pay will be . . . promotions and vacations you can expect . . . how you can retire on a life income. Describes how you can learn any one of 45 big-pay trades from aviation to radio . . . how many may become officers. 27 scenes from Navy life showing sports and games you may play, ships you may be assigned to, exciting ports you may visit. Tells enlistment requirements and where to apply. If you are between 17 and 31 (no high school required), get this free book now. No obligation. Ask the Navy editor of this paper for a copy. Or telephone him. Or mail him the coupon. You can paste it on a penny postal card.

WEAR THIS BADGE OF HONOR! If after reading the free booklet you decide to apply for a place in the Navy, you will receive this smart lapel-emblem. It is a badge of honor you will be proud to wear.

Tear out and take or send this coupon to the Navy Editor of this newspaper Ce

Without obligation on my part whatsoever, please send me free booklet, "Life in the Navy," giving full details about the opportunities for men in the Navy or Naval Reserve.

Does your family get the benefit of the vitamins you pay for?

Improper cooking destroys vitamins — let a CP gas range help you save them

AN IMPORTANT FACT! Vitamins necessary for your family's health are easily lost through the wrong kind of cooking. So it isn't enough just to *buy* foods that contain vitamins. *Make certain* that these vital food elements actually reach your family table.

YOU'LL FIND VITAMIN-SAVING much easier—more dependable—with a CP (Certified Performance) gas range. To serve vitamin-rich vegetables, for example, use little water—and take advantage of the "keep warm" position on the CP gas burner. And remember—CP broiling, as well as CP controlled-heat roasting, is vitamin thrifty, too. Get complete information soon from a DEALER or SOUTHERN COUNTIES GAS CO.

WHAT EVERY WOMAN SHOULD KNOW ABOUT VITAMIN-SAVING

1 Use little water in cooking.
2 Cook vegetables for the shortest possible time.
3 Cover utensils to keep air out.
4 Avoid unnecessary stirring of vegetables.
5 Don't put in baking soda to brighten food colors.
6 Start vegetables in boiling water.
7 Don't throw away vegetable liquids—use them in soups or cream sauces.
8 Keep foods as fresh as possible—use dependable automatic refrigeration.
9 Serve plenty of green vegetables.
10 Serve foods soon after cooking.
11 Broiling is preferable to frying to retain vitamins.
12 Low-temperature roasting saves vitamins, minerals.

Three of the ways a CP gas range will help you save vitamins

1. **VITAMIN-SAVING BURNERS.** Simmer settings make possible "waterless" cooking of vegetables, recommended by vitamin authorities.
2. **VITAMIN-SAVING BROILER.** No preheating necessary. Meats retain more vitamin-rich juices, because cold-start broiling enables you to broil the portion nearest the flame, without overcooking the under side.
3. **VITAMIN-SAVING OVEN.** CP controlled heat enables you to roast meats with minimum of water, and yet avoid drying-out. Low temperature CP roasting also enables you to reduce meat shrinkage as much as 20%.

AND HERE ARE OTHER REASONS YOU'LL LIKE A CP GAS RANGE—*Beauty:* Breath-taking new design! *Convenience:* Automatic lighting; high-speed burners; automatic oven control, plus time-saving accessories! *Cleanliness:* Tailored heat to banish boil-overs; smokeless broiling; smooth porcelain finish! *Economy:* One-third the average operating cost of the next-best method!

FOR HEALTH PREPAREDNESS
Save Vitamins WITH A CP GAS RANGE

NEWS OF SOCIETY AND CLUBS

MRS. ETHEL THRASH, SOCIETY EDITOR

Star Auxiliary Holds Luncheon Session On Wednesday

Although a number of the members were assisting with the Red Cross roll call on that day, still a pleasant meeting was held Wednesday by La Estrella Auxiliary, Order of Eastern Star, in the Masonic lodge hall.

A contributed dish luncheon was served at the noon hour, the tables being decked with chrysanthemums and other autumn blossoms.

Mrs. Lloyd A. Fox, president, conducted a short business session.

Showing of the hospital motion pictures by Mrs. Earl H. Johnson, president of the Woman's Auxiliary of San Antonio Community hospital, was postponed because of the absence of the large number of members engaged in the Red Cross drive. The pictures will be shown at a future meeting.

Several men were present, including Earl E. Dunning, Walter J. Kermott, L. A. Fox, C. S. Kelley, Perry O. Long, Ray C. Norton, O. P. Brady and John Scott.

Members in attendance were Mrs. J. B. Browning, Mrs. Roy Creighton, Mrs. L. A. Fox, Mrs. Walter J. Kermott, Mrs. Earl E. Dunning, Mrs. Blanche M. Loch, Mrs. Perry O. Long, Mrs. Elmer Mathews, Miss Eunice Mitchell, Mrs. Ray C. Norton, Mrs. T. M. Nichols, Mrs. L. R. Parkin, Mrs. John Scott, Mrs. Agnes B. Hawkey and Mrs. Flora S. Allen; also Mr. Fox's aunt, Mrs. Elizabeth Soatebier of Sacramento, who is a guest in the Fox home.

The Sargents Return From Motor Trip To Canyon

Mr. and Mrs. J. Emery Sargent returned Tuesday afternoon from a four days motor trip that took them as far as the Grand Canyon, perfect weather being enjoyed all the way.

Leaving Saturday morning, they went first to Boulder City, where they had the privilege of seeing the great dam lighted at night. They also enjoyed going down inside the dam.

Early Sunday morning they visited the points of interest in the Boulder City area and then continued on to the Grand Canyon, arriving there at 3 o'clock in the afternoon. This gave them an opportunity to see the canyon in all of its varying lights in the afternoon and evening and by moonlight. Remaining over night, they also watched the canyon's changing colors in the morning light as they motored to all the vantage points along the rim.

The return trip was made by way of Needles.

Enroute eastward, Mr. and Mrs. Sargent stopped in Lucerne valley and were joined there by their grandson, Robert Matthews, 13 years of age, who accompanied them on the trip, coming back again to the Lucerne valley.

Sons and Auxiliary To Give Turkey Dinner

Alois Podrasnik camp, Sons of Union Veterans, and the Woman's Auxilary to the Sons, will give a Thanksgiving turkey dinner next Tuesday evening at 6:30 in the W. R. C. Memorial hall in Ontario.

The dinner is planned for the members of the two organizations and for their husbands and wives who are not members.

Mrs. Leslie Strawn is to serve as dinner chairman and Mrs. Elizabeth Taylor as dining room chairman.

* * *

Mrs. Weldon Joins Hawaii Voyagers

Aboard the S. S. Lurline when it sails from San Pedro harbor this afternoon at five o'clock for Honolulu will be Mrs. Hubert C. Weldon, 170 East C street.

One of the proprietors of the Mary Eloise Beauty shop, Mrs. Weldon is bound for the islands to spend a three weeks vacation trip visiting Mr. and Mrs. Herbert Johnson. The Johnsons live on the island of Aiea, where Mr. Johnson is employed on one of the sugar plantations.

Friends and customers were busy yesterday wishing Mrs. Weldon bon voyage to the land of aloha and leis.

Mrs. Craig Sets Sail For Islands Today

Heading into the setting sun, Mrs. John Craig sets sail this afternoon aboard the S. S. Lurline for the Hawaiian Islands, where she will spend a month visiting her son and daughter, Ensign Jack Craig, and Miss Jane Craig.

Ensign Craig is now temporarily in the islands on navy duty, and Miss Craig, who lives at Hilo, is employed in the office of the U. S. Army Engineering corps.

Friendly Neighbors Enjoy Party at Nissly Home

Mrs. Reuben Nissly was hostess Wednesday at a very pleasant afternoon party when she entertained members of the Friendly Neighbors club at her home, 1040 East Seventh street.

Receiving the birthday honors of the day was Mrs. Mary Halstead, whose anniversary will occur on Nov. 18.

Amusing games were enjoyed and some time was spent in pleasant visiting. During the afternoon the hostess served refreshments. The Thanksgiving motif was employed in appointments and decorations.

Attending the party were Mrs. P. L. Cate, Mrs. Edrie Hughes, Mrs. Mary Halstead and her daughters, Mrs. George Gorton of Kalispell, Mont., and Mrs. Bruce Harpole of Santa Paula; Mrs. W. J. Brimble, Mrs. Homer Meyers, Mrs. J. H. Freeman, Mrs. C. I. Dillard, Mrs. Harvey Halstead, Mrs. E. A. Fields and Mrs. Nissley.

* * *

Mary Brainard Tent Hears Reports at Meeting

Reports of the annual bazaar held last week were made at the meeting of Mary Brainard tent, Daughters of Union Veterans, held last evening, and revealed the project was remarkably successful, the sales totaling $61.79.

The meeting was held in the W. R. C. Memorial hall in Ontario, with Mrs. A. B. Clarke, president, presiding.

Reports of activities for the month showed relief expenditures of $9.50 other than cash; calls, 29; cards, 11, and bouquets, 45.

Announcement was made that Rebecca Dunbar, department president, will make her official visit to the tent at the first meeting in December.

Mrs. Ralph E. Peyton extended an invitation to the members of the tent to attend a Christmas party to be given at her home, 811 West Twenty-first street, the date to be announced later.

Twenty - three members were present for the meeting.

* * *

Mr. and Mrs. Strawn Will Celebrate Anniversary

An important date, their twenty-fifth wedding anniversary, will be observed tomorrow, Nov. 15, by Mr. and Mrs. Leslie Strawn of 100 Sierra Madre avenue.

The anniversary will be celebrated in happy fashion as Mr. and Mrs. Strawn hold open house for their friends, the hours being from 2 to 4 o'clock in the afternoon and from 7 to 10 in the evening.

Mr. and Mrs. Strawn, then both of Los Angeles, were married in San Diego and less than a year later they came to Upland, where they have resided for the past 24 years. They have many friends who will enjoy the opportunity of extending congratulations and expressing good wishes for many more anniversaries.

* * *

Woman's Club Bridge Class Will Meet Next Tuesday

Tuesday, Nov. 18, is bridge class day for members of the Upland Woman's club and others who are studying contract bridge under the diriection of Mrs. E. E. Driggs of Ontario.

The class members will meet at 11 o'clock for a lecture by Mrs. Driggs. Luncheon will be served during the noon hour, followed by supervised bridge playing until 3 p. m.

Those attending the class who are not members of the club will pay a small fee.

Business Women Told About Navajos by Dinner Speaker

A close-up picture of Navajo Indian life was given to members of the Upland Business and Professional Women's club last evening by Miss Faith Hill, teacher in the Whittier schools. The meeting was held in the Upland Woman's club house.

Miss Hill, a very charming speaker, is a former member of the Eighteenth Street school faculty, having taught there for two winters a number of years ago.

She has spent some time teaching on a Navajo reservation and she wore an Indian costume while speaking last night.

Miss Hill described the manner of living on the reservation, and told of the superstitions and fears of the Indians. She also exhibited a number of pictures showing the Indians at work and at play.

The Navajo Indians now number 50,000, Miss Hill stated, and the tribe is increasing. They are essentially pastoral and make their living by raising sheep.

The tribe also is matriarchal, the women owning the sheep and other property and managing the tribal life. Incidentally, the women do all the work, while the men do their ceremonial dances, hunt and "rest".

The government maintains day schools at various places throughout the reservation, these being found more effective than the former boarding schools.

The meeting opened with a 6:45 dinner, served at tables made attractive with decorations in the Thanksgiving motif. Cornucopias filled with candies were place cards.

Miss Hester MacKay, president, presided, and two new members were greeted. They are Miss Olive Wilkowske, teacher in the Sierra Vista school, and Judge Mildred Puckett.

Miss Geraldine Riggs, whose wedding is to occur in Detroit in December, was surprised with a handsome gift from her fellow club members.

A canned fruit shower for San Antonio Community hospital netted a large collection of gifts from the club members.

Preceding the address, Miss Lucille Stipe, program chairman for the evening, presented a Paul Robeson record of songs and dialogues emphasizing patriotism. Miss Stipe was assisted by Mrs. Ada Hand Quick as co-chairman.

Guests were Mrs. Bernice Anysh, Mrs. D. R. Foss, Miss Mary McGilvra and Mrs. Ralph Almquist. Twenty members were in attendance.

* * *

Legion Auxiliary To Sew Tuesday for Red Cross

Next Tuesday has been designated as Red Cross sewing day for members of the Upland unit of the American Legion Woman's Auxiliary.

The all day meeting will be held at the home of Mrs. Chas. V. Benson, 895 Washington boulevard. Those who come to sew for the day are to bring sack lunches.

* * *

League Women Voters To Meet Monday

"Economic Factors Influencing Our Foreign Policy" is the topic on which Dr. Arthur Coons will talk as guest speaker at the luncheon meeting of the Pomona Valley League of Women Voters to be held next Monday at 12:30 at the Claremont inn.

The luncheon, at which Mrs. John Park Young, state chairman of foreign policy for the League, will be an honor guest, opens the study which the local League will conduct on America's foreign future under the direction of Mrs. Dorothy Norton Sleeper.

Armistice Day Guests In Gregg Home

Mr. and Mrs. George Gregg, 552 East Arrow highway, had the pleasure of entertaining several guests at dinner on Armistice day, the friends motoring out in the afternoon.

In the group were Miss Minnie Kimsey of Hollywood, Miss May Plumb of Claremont, and Mrs. Viola Amidon of Montpelier, Ohio. Mrs. Amidon is visiting in Southern California.

Woman's Auxiliary to Hospital Will Hear Speaker Monday

The story of a nurse's experiences in the Orient and the annual canned fruit shower for the hospital will be two special features of the meeting of the Woman's Auxiliary of San Antonio Community hospital to be held on Monday in the hospital library.

Mrs. Earl H. Johnson, president, will open the meeting at 3 p. m. and after the business session the speaker, Mrs. Clarence Hendershot, R. N., of Redlands, will be presented.

Mrs. Hendershot, a woman of charming personality, has spent a number of years in India and China and she will tell of health conditions and nursing experiences in those countries, especially in the much talked of Burma Road section.

The canned fruit shower, which is of great benefit to the hospital, is expected to be especially generous this year.

Motor Party Visits Desert Towns

Mrs. Lloyd A. Fox and Mr. Fox's aunt, Mrs. Elizabeth Soatebier of Sacramento, accompanied by Mrs. Anna Widmark of San Antonio canyon and Mrs. Ray C. Norton, spent Thursday motoring on the desert, where they found the weather ideal.

The motorists visited Adelanto and viewed the vast army base and air field being constructed near that desert town. They also stopped in Victorville and saw many places of interest during the trip.

* * *

Wesleyan Guild Will Meet on Tuesday

November meeting of the Wesleyan Service Guild of the Methodist church will be held Tuesday evening at the home of Mrs. Frederic W. Dundas, 415 West Nineteenth street, it was announced today by the president, Mrs. Henry Anderson.

A 25c dinner will be served and Mrs. Anderson will conduct the business session. A program is being arranged for the evening.

ALTA LOMANS WILL HEAR DESERT LORE

When members of the Alta Loma Community club meet for their monthly dinner session Monday evening they will be given a lesson in desert lore.

Through the assistance of Ben Wilson, former Alta Loma resident and now operating the Twenty Nine Palms Mission Inn, L. D. Spell of Twenty Nine Palms has been secured as speaker for the evening.

Mr. Spell is an authority on desert rocks and plants and he will have for display a collection of specimens from the Joshua National park area. Joe Wangler will be program chairman.

Dinner will be served at 7 o'clock by the firemen's wives and the meeting will be conducted by William Bannister, president.

Oranges and other citrus fruits are low in calories and high in vitamins, making them particularly valuable in reducing diets.

Bert Bliss, Citrus Rancher, Succumbs Thursday Morning

Following an illness of three months, Bert Billings Bliss passed away at 7:45 a. m. Thursday at the home of his sister, Mrs. C. F. Van Arsdale in Los Angeles, where he had been cared for during his illness.

Mr. Bliss, who was 76 years of age, resided at 2390 North San Antonio avenue, having been a resident of Upland for 22 years. He was a citrus rancher. A native of St. Louis, Mo., he came to California 37 years ago.

Surviving Mr. Bliss are his wife; two sisters, Mrs. Van Arsdale of Los Angeles and Mrs. William Lintner of Cameron, Wis.; a niece, Mrs. Lois V. Schramm, and a nephew, Charles E. Van Arsdale, both of Los Angeles.

Funeral service will be held at Draper's Ontario chapel at 2 o'clock Monday afternoon. The Rev. Chas. L. Knight, pastor of Bethel Congregational church in Ontario, will be the officiating minister. Entombment will be made in Bellevue mausoleum.

Mr. and Mrs. Harold Bice and family of Van Nuys spent the week end here visiting with relatives and friends

METHODIST WOMEN MEET THURSDAY

Because of the nearness of Armistice day, celebrated Tuesday, a patriotic note was introduced into the meeting held Thursday in the church by the Methodist Women's Society for Christian Service.

Mrs. Frank C. Buffington, president of the society, opened the morning session, and Mrs. H. J. Stickney led in singing "America the Beautiful".

Mrs. Buffington led in the salute to the Christian flag, the words of the pledge being: "I pledge allegiance to the Christian flag and to the Savior, for whose kingdom it stands, one brotherhood, uniting all mankind in service and in love".

The devotional service was conducted by Mrs. J. T. Salisbury and Mrs. Marion Maxwell sang "We Plow the Fields and Scatter". She was accompanied by Mrs. Vernon V. Paine.

Mrs. Grace Stanley of Riverside was presented as the speaker and she discussed Christian literature and spoke of Christian principles that should be observed in all homes.

The noon luncheon was served by the East Side circle.

GIFTS FOR CHILDREN

Thursday was designated as "harvest home" day and gifts of canned fruits and jellies for the David and Margaret home for children were presented during the afternoon meeting of the Local Social Service Group. A large collection of gifts was contributed and will be taken to the home later.

Reports of activities for the month were made by the circle presidents and Mrs. W. W. Mather and Mrs. Buffington told of the improvements made on the recently purchased parsonage and of the furnishings provided by the women's organization.

Troy Morgan, Cucamonga, employed by the Growers' Service, Alta Loma, was rushed to San Antonio Community hospital shortly after noon on Saturday, where he underwent an emergency appendectomy.

Columbia West Coast Church of the Air will be conducted on Sunday morning at 8 o'clock by Norman Thisted, of Great Falls, Mont., under the auspices of the Christian Science Committee on Publication for Montana. The program will be released over KNX.

Mrs. Rose Bice of 376 North Eleventh avenue returned Thursday from Los Angeles where she spent several days visiting her son-in-law and daughter, Mr. and Mrs. Jay de Haven. This evening Mrs. Bice will go to Vista, near San Diego, for a week end visit with her son and daughter-in-law, Mr. and Mrs. Clair Bice.

Mrs. Martin P. Leatherbury returned Thursday to her home in Kelso, after spending several days here with her parents, Mr. and Mrs. E. H. Billsborough of South Second avenue, and with friends in LaVerne. Mrs. Leatherbury came in from the desert by train and spent part of the time looking after business interests.

Toodie Christensen, daughter of Mr. and Mrs. Otto Christensen of this city, has been elected captain of the Claremont Collegiate school volley ball team. Marshaling the first major game of the season, Toodie will lead the team Friday afternoon when Collegiate school meets other girls' schools of the southland on the grounds of the Marlborough school in Los Angeles.

Miss Lillian Harnish, of the Harnish Dry Goods Co., and her sister, Miss Ruby Harnish, spent Tuesday in Los Angeles visiting the wholesale markets to select stock for the store. They were accompanied to Los Angeles by Miss Mary Harnly, student nurse in St. Vincent's hospital. Miss Harnly had been visiting her parents, Mr. and Mrs. M. Verne Harnly, 840 North Euclid avenue.

Mr. and Mrs. Lee D. Weatherhead, who have been residing at 1079 East Seventh street, are now occupying the home at 585 East Seventh.

Mr. and Mrs. J. D. Dean of 343 South Sultana, spent Sunday in Bellflower visiting with their son and daughter-in-law, Mr. and Mrs. Buck Dean.

Mrs. C. Milam of South Second avenue is spending this week with her son-in-law and daughter, Mr. and Mrs. Chris Luthy and family in Los Angeles.

Accompanied by friends, Mr. and Mrs. A. C. Corzine enjoyed a pleasure trip Sunday, motoring through the coastal valley and stopping in Santa Ana for dinner.

Mr. and Mrs. E. E. Hawthorne are spending a few days over the week end on a hunting trip near the Salton Sea. They are expected home around the first of the week.

Wilbur Reed, who submitted to an appendectomy a week ago at the Sanborn hospital in Pomona, has been returned to his home on South First avenue and is getting on nicely.

Mr. and Mrs. Carrol Sachs and infant son motored out from their home in Burbank Sunday and spent the day with Mr. Sachs' parents, Mr. and Mrs. C. C. Sachs, on East Seventh street.

Mr. and Mrs. E. J. Taylor, who formerly lived on South Second avenue, motored out from their home in Inglewood on a recent day and visited a number of their former neighbors and other friends.

Relatives are visiting at the James Merchant home, 421 East Ninth street. The guests include Mr. and Mrs. Harry Bauchman, she being a niece, and Mrs. C. Harwood and Mrs. Lou Rucker, who are Mr. Merchant's sisters. All the visitors are from Garrison, Iowa.

Mrs. Ora Clark Palmer and Miss Mary Stempel left Thursday for a motor trip that will take them to northern California. They will visit friends in Palo Alto and in Redwood City and will stop at various points on the way. They plan to be away for two weeks.

Mrs. Frances Nesch of South Third avenue, enjoyed a visit Sunday from her brother and sister-in-law, Mr. and Mrs. D. B. Lambert of Los Angeles, and another brother, James P. Lambert of Santa Monica; also her friends, Mr. and Mrs. Joseph Payne of Los Angeles.

Mrs. Mattie Sprake Barr of Cynthiana, Ky., is a guest at the home of her cousins, Mr. and Mrs. Frank Sprake of San Antonio Heights. It is her first visit to California, and she is not only greatly enjoying being with her relatives but also is enjoying Southern California's fall weather.

Sunday became a busy and a happy day for Mr. and Mrs. Dwight Parkins when 16 relatives of Los Angeles arrived unexpectedly at their home, 225 South Second avenue. Among the group of visitors were Mr. Parkins' mother, Mrs. Frank Parkins, and Mrs. Parkins' mother, Mrs. Bee Merritt.

Mr. and Mrs. Martin M. Smith of 277 East Seventh street, have as their guests Mr. Smith's sister, Mrs. Lillian Gerling and his brother, Frank J. Smith, of Batavia, N. Y. The brother and sister drove through from New York. They will go to San Francisco for a visit and will return here for a stay of indefinite length.

Mr. and Mrs. A. E. Stempel have returned to their home at 974 East Arrow highway after spending the past five weeks in the east. They motored to Worthington, Minn., where they visited Mrs. Stempel's mother and other relatives. The return trip was made by way of Kansas City, New Orleans, Houston and El Paso. In New Mexico, Mr. and Mrs. Stempel had the pleasure of seeing the great Carlsbad Caverns.

Only 31 per cent of the total winter orange crop for the 1941-42 season will be from California. Florida will supply 61 per cent of the estimated total and other states about 8 per cent.

Ernest C. Mehl, chief of police, is in San Antonio Community hospital under treatment for trench mouth. The infection is slight and Mr. Mehl's physician expects it to be eradicated within a few days.

Mrs. Emma Hull, Lincoln, Nebraska, was a visitor for two days this week in the home of Mrs. Ralph Marr, 170 Tenth avenue. Mrs. Hull is spending the winter in Los Angeles with relatives.

Mr. and Mrs. Thomas E. Howarton are back from Indianapolis, where they went recently on American Legion business and to visit relatives. Mr. Howarton attended the national conference of commanders and adjutants and a meeting of the national committee of Sons of the American Legion. Mr. Howarton is one of the nine men on this committee.

Mrs. Ruby Adams of Lodi is visiting with her brother and sister-in-law, Mr. and Mrs. Rae E. Pyle of 260 South Second avenue. She expects to remain here for some time. Mrs. Adams was accompanied to Upland early this week by her mother, Mrs. Lottie Pyle and her sister, Mrs. Carpenter, both of San Diego. They returned home after a short visit here.

Mrs. Robert Crowell, who has spent the past several weeks with her parents, Mr. and Mrs. W. J. Brimble of East Seventh street, while Mr. Crowell was in the east on business for the Douglas Aircraft Corp., has returned to her home in Culver City. Mrs. Crowell went to Burbank Sunday to meet her husband, who returned from the east by airplane, and they went on to Culver City.

RED CROSS MOVES TO NEW LOCATION ON EUCLID TODAY

Today is moving day for Upland chapter of the American Red Cross, as the chapter is moving its equipment and supplies from the old Clark market building to its new quarters in the Mrs. Eva G. Moore place, known as the old Gary home, at 304 North Euclid avenue. The new location is at the corner of Euclid avenue and C street, opposite the Methodist church.

The job of transferring heavy work counters, machines and supplies is being done by trucks and workmen provided by Upland Citrus and Alta Loma Heights Citrus associations.

New workrooms for Red Cross activity will occupy the five downstairs rooms in the house, Mrs. Mary Eckerman said. There will be ample room for work and storage, and location of the workshop is quite convenient.

The one pressing need of Upland Red Cross chapter stressed by Mrs. Eckerman is for more workers to carry on its sewing program. Volunteers are needed seriously to maintain the schedule of requirements for all types of relief articles produced by the local chapter. Workers may come to the shop and give their time, or they may take work home with them to do, Mrs. Eckerman said.

Mr. and Mrs. George Gorton and son and daughter-in-law, Mr. and Mrs. Dale Gorton, all of Kalispell, Mont., arrived here this week and the senior Gortons are guests of Mrs. Gorton's mother, Mrs. Mary E. Halstead, and other members of the family. Mr. and Mrs. Dale Gorton went on to Hollywood to visit Mrs. Gorton's parents. The vistors plan to leave Sunday for Seattle to spend Thanksgiving with relatives there.

A regular meeting of the Upland Townsend club No. 1 will be held Tuesday night at the home of Al Stutzman, 245 Ninth avenue. The public is invited to attend and to participate in the discussion, it is announced.

Ontario Church Asks Permission to Move Building Down Euclid

A request from the Baptist church in Ontario seeking permission from the City of Upland for the use of the east drive of Euclid avenue in moving an Alta Loma church structure purchased by them to Ontario was considered last night at the adjourned session of the Upland city council.

Problems of moving the structure through Upland were discussed and a number of requirements appeared necessary. It was felt that it would be necessary for the church organization to show that the Euclid avenue route was the only feasible route for transporting the building; that it would have to give proper assurance that the moving would not interfere with traffic on the avenue, and that the moving could be done during hours of least traffic, possibly between 2 and 4 a. m.

The council also expressed the belief that a bond would be required of the church to assure proper moving and that the city should know what equipment was to be used to insure against the work bogging down during transit. Proper and adequate arrangements for overhead wire and tree clearance as well would have to be provided. Also the fact that the use of the east drive of Euclid avenue for southbound traffic below Thirteenth street is now against Upland city ordinance was brought up.

The council deferred action on granting permission, and referred the matter to City Attorney E. E. Gray for a review of the law applying to the situation. Authority to grant the permission was put in the hands of Mr. Gray and City Manager R. G. Manley by the council.

Funeral Rites for Levi Burrow Will Occur on Saturday

Funeral service for Levi E. Burrow, who lost his life in a motor accident early Wednesday morning, will be held at 10:30 Saturday morning in the Upland Missionary Baptist church. The pastor, the Rev. Claude Miles, will officiate.

Interment will be made in Bellevue cemetery.

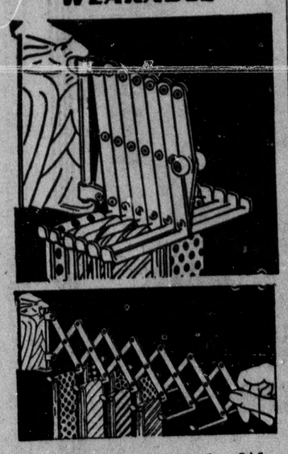

The Richard mortuary in Ontario will be in charge of arrangements.

Mrs. Max Hawkins of San Diego is spending a few days with her parents, Mr. and Mrs. Jas. H. Paulin, 735 North Third avenue. Mr. and Mrs. Hawkins, who formerly lived in Santa Barbara, are now residing in San Diego, where Mr. Hawkins is employed in an airplane factory.

STATE GUARDSMEN HONOR COL. HASTIE AT DINNER TONIGHT

Among distinguished citizens who are to join with leaders from 40 Southern California cities and towns tonight at the Pasadena Athletic club to honor leaders of California State Guard forces in this area is C. E. Grier, Upland,

COL. JACK HASTIE, JR.

chairman of San Bernardino county board of supervisors.

Mayors, presidents of chambers of commerce, heads of service clubs, members of county boards of supervisors, the California legislature and city councils will be present to join in the word of appreciation to Colonel Jack Hastie, Jr., or Glendora, commanding officer of all State Guard troops in this section of the state.

A short but sparkling program of brief after dinner talks will be presented, with speakers who will develop various parts of the general theme, "The Mission of the State Guard", as follows:

John B. Long, general manager of the California Newspaper Publishers' association, "To Preserve the Freedom of the Press".

Colonel Halsey E. Yates, U. S. army, "To Supplement the Army".

Thomas Schwartz, Sierra Madre city councilman and a director of the League of California Municipalities, "To Protect Our Home Communities".

Mr. Grier, chairman of the board of supervisors, San Bernardino county, "To Reenforce Our Civil Defenders".

H. C. Burkheimer, publisher of the Glendale News-Press, "To Safeguard Our Homes and Families".

Those from Upland who will attend the dinner honoring Col. Hastie are Mayor D. J. Cameron and Mrs. Cameron, and Mr. and Mrs. Paul G. Hottel.

7:45 p. m. — Preaching service; story of the ten virgins will be the parable used for the evening sermon; special music will be given by the Young People's C. E. society arranged by Miss Margaret Harms.

RAY SHERWOOD HAS WORD FOR FARMERS

Ray R. Sherwood, member of the West End Agricultural Conservation committee, stated today that approximately 5,000 of the county's farmers have signed the 1942 farm plans, signifying their intention to cooperate in the agricultural conservation program in 1942. At the same time these 5,000 farmers signed for cooperation with the food-for-defense program of the U. S. Department of Agriculture.

Mr. Sherwood estimates that 10,000 farms are operated in the county. This means, he said, that 50 per cent of the county's farmers have been reached through the annual Triple-A sign-up, and that the other 50 per cent must be reached prior to December 1, if the farm defense canvass is to be completed in time to achieve dependable estimates of expected 1942 production. This is a canvass not only of those farms that can produce the commodities of which increases are needed, but of all farms. The results of the canvass are to give a complete 1942 inventory of food production of all kinds.

All San Bernardino county farmers not yet signed up in the food-for-defense inventory are requested to make every effort to do so during the week ending Nov. 22. Forms covering their farms will be in the hands of field workers all over the county.

Upland ranchers may contact Mr. Sherwood or Verne Lee of Ontario, field supervisor for the AAA.

BRETHREN IN CHRIST
C. R. Heisey, Minister

9:30 a. m.—Sunday school.

11:00—Morning worship, Rev. A. M. Climenhaga, son of missionaries and president of Beulah college, will bring a meditation upon the Word of the Master, inspiring men to missions.

6:30 p. m. — Young People's League.

6:30 p. m. — Advanced Y. P. Study Group.

7:30 p. m.—Rev. Calvin F. Snyder, missionary to China for many years, along the border of the fascinating country Tibet, under the Christian Missionary Alliance, will bring the message.

Wednesday, 7:30 p. m.—Prayer meeting.

Thursday, 7:30 and 10:00 a. m. —We share in the Union Thanksgiving services at the Methodist and Nazarene churches.

Visit Friends in Desert Country

A trip to Victorville and the desert country was enjoyed on Armistice Day by Judge and Mrs. Fred H. Jacobs. In the desert community they visited Mr. and Mrs. Ward Shulz, former Upland residents.

Leaving Victorville, they journeyed to Apple Valley, where they visited Mr. and Mrs. Owen E. Morgan, parents of Mrs. Shulz. They reported that the desert country was exceptionally beautiful Tuesday, until rain turned them homeward.

BETHANY UNION
San Antonio Heights

2:45 p. m.—Sunday school.

4:00 p. m. — Worship service; sermon by the Rev. C. D. Ewell of Ontario.

FIRST BAPTIST

$73 IN JACKPOT!

YOU'LL BE THANKFUL YOU BOUGHT in UPLAND

To be eligible to receive all of the jack pot, your total purchases from two or more stores may be for

ONLY $1.00

AWARDS

$5 if person selected has one sales slip.

$10 if person selected has two or more sales slips showing total purchases under $1.00.

All of jack pot if person has two or more sales slips from two or more stores with total purchases over $1.00.

$1 if person selected has no sales slip.

Saturday Dividend Is Day!

A QUESTION IN EVERY ADV.

You will note that in each space is an easy-to-answer question. To qualify for the Dividend Day award, you must answer the questions listed by the firms from which you have saleslips.

For Example—If you have a sales slip from Blank Co., you must write the answer to the Blank Co. question on the sales slip and have it ready for presentation to the Merchants' Messenger by 6 p. m. Monday.

If you are not going to be home Monday between 6 and 7 p. m., leave your sales slips posted near your front door.

Every adult in Upland, Alta Loma, Cucamonga and Etiwanda is eligible to participate in the Upland Merchants' Dividend Day. A directory has been especially compiled to include every house address in these communities.

Receipts of payments on account for purchases since March 1 are not eligible for use as sales slips.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment cannot be eligible for use on dividend day.

READ THE ADVS. AND WRITE ANSWERS TO THE QUESTIONS LISTED BY THE FIRMS FROM WHICH YOU OBTAIN SALES SLIPS.

BIRTHS

Mr. and Mrs. William Skillman, 1004 Cypress avenue, Ontario, are proud parents of a son, born on Wednesday morning, November 12, at San Antonio Community hospital. Paternal grandparents of the baby are Mr. and Mrs. A. D. Skillman, also of 1004 Cypress avenue.

—

Mr. and Mrs. Willis (Bill) Williamson, 972 Washington boulevard, are the parents of a fine new daughter, their first child. The baby, weighing 7½ pounds, was born at 11 a.m. Nov. 7, in the Sanborn hospital in Pomona. She has been named Martha Ann. The very proud paternal grandparents are Mr. and Mrs. Harry Williamson, 648 North First avenue, who welcomed their first grandchild. The maternal grandparents are Mr. and Mrs. T. C. Butler of Pomona.

—

Harold Robert is the name of the young son born Friday, November 7, to Mr. and Mrs. Robert J. Groff, 431 Tenth avenue, the baby arriving at the Laurel Maternity home in Ontario.

—

A daughter was born to Mr. and Mrs. A. B. Moseley, 207 South Vine street, Ontario, the birth occurring Friday, November 7, at the Laurel Maternity home.

—

Mr. and Mrs. Harold Graham (Jeanne Benson) of Newport are the parents of a brand new son Garold Thomas Graham. The baby, weighing 7½ pounds, was born on Saturday, Nov. 8, at the Santa Ana hospital. The husky youngster has an older brother, Howard, to join in welcoming him to his new home. He is the grandson of Mr. and Mrs. Chas. V. Benson and the great grandson of Mrs. F. H. Manker and Mrs. J. V. Benson, all of Upland.

PANTHERS RATTLE SKELETON BEFORE QUAKING HORNETS

Despite radio forecasters' declarations that Fullerton Hornets are due to sting Chaffey Panthers tonight, the Panthers' underdog trouncing of the undefeated Hornets last year is still the skeleton rattling in the Fullerton closet.

By a decisive win over Pomona's Red Raiders last Friday, the Panthers demonstrated that they are coming out of their lethargy. They showed decided improvement in all departments of their game.

HORNETS QUAKE

Fullerton has been doing a lot of saber rattling about running up a huge score on the Panthers this year to avenge last year. But local experts say the rattling has more the sound of a superstitious man giving himself encouragement while approaching a cemetery where he was once buried alive.

Coach Burt Heiser promises that the Panthers are not going to give up before the final gun sounds, and that Hornet stingers may get pretty badly blunted. Whatever happens, he said, the Panthers are preparing a fighting invasion when they go to Fullerton tonight.

Public Notices

NOTICE OF TRUSTEE'S SALE NO. 1362

On Tuesday, the 25th day of November, 1941, at 11:00 a.m., CITIZENS NATIONAL TRUST & SAVINGS BANK OF LOS ANGELES, as Trustee, under and pursuant to Deed of or Transfer in Trust dated May 2, 1933, recorded August 5, 1933, in Book 803, Page 119, of Official Records in the office of the Recorder of San Bernardino County, California, and securing, among other obligations, note for $3,700.00, dated May 2, 1933, in favor of CITIZENS NATIONAL TRUST & SAVINGS BANK OF LOS ANGELES, will sell at public auction to the highest bidder for cash (PAYABLE AT TIME OF SALE IN GOLD COIN OR LAWFUL MONEY OF THE UNITED STATES) at the Front entrance of the County Court House, in the City of and County of San Bernardino, California, all right, title, and interest conveyed to and now held by it under said Deed of Transfer in the property situate in the City of Upland, County of San Bernardino, State of California, described as

Lot 598, according to Map of Ontario, in the Judicial Township of Upland, as per map plat recorded in Book 11 of Maps, Page 6, Records of said County. SAVING AND EXCEPTING therefrom the North 35 feet thereof.

Together with ten (10) shares of the Capital Stock of the San Antonio Water Company.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the unpaid principal sum of said note, to-wit $2,700.00, with interest from November 2, 1938, as in said note provided, plus the sum of $1,200.61 advanced by Beneficiary in payment of assessments, taxes, fire insurance premiums and attorneys' fees (said advances having been made subsequent to the date of filing Notice of Breach hereinafter referred to) and additional advances, if any, under the terms of said Deed or Transfer; fees, charges and expenses of the Trustee and of trusts created by said Deed or Transfer.

The beneficiary under said Deed or Transfer, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and written Notice of Breach and of Election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on May 12, 1939, the undersigned caused said Notice of Breach and of Election to be recorded in Book 1307, Page 482, of Official Records in said Recorder's office.

Dated the 27th day of October, 1941.

Colored Pictures Of Gardens To Be Shown on Tuesday

An interesting evening will be afforded for all garden devotees and all persons who enjoy beauty —which includes everyone—when Mr. and Mrs. Francis S. Wagner, well known gardeners of Alta Loma, show their Kodochrome slides next Tuesday evening in the Upland Elementary auditorium.

The picture program is being sponsored by the Upland Parent-Teacher association, with Mrs. Harold Snyder, finance and budget chairman, in charge.

Most of the pictures are garden studies and their showing is synchronized with a lecture concerning proper plantings, culture, etc., studies being given of such favorites as camellias, chrysanthemums, tuberous begonias, and many others.

There also will be a number of pictures made at the famous Pasadena flower show and several scenic pictures.

The slides will show the flowers in all of their beautiful colorings and the instructive lecture will add much to their practical value.

There will be no admission charge, only a silver offering being asked, and the public is invited to attend.

ARMISTICE PARADE DAZZLES THRONGS

The West End witnessed an armistice day parade the like of which it has not seen in many years, as four miles of marchers, bands, floats, flags, and military units moved up far-famed, pepper tree-lined Euclid avenue to Chaffey campus, where Armistice Day observance terminated in a colorful pageant, "The Great Armistice", presented in Chaffey stadium.

Military significance of Armistice Day was pronounced by seemingly endless columns of Cal-Aero cadets, U. S. Army trucks from March Field, units of the California State Guard and women's ambulance patrols. Cal-Aero training planes swooped out of the sky over Upland to level off and skim low over the avenue the length of the parade in "V" formation to add thrill to thrill.

UPLAND SHOWS

Judges, headed by Allan Barr, Upland, as chairman, found themselves hard put to it to pick winners from the many entries. Many Upland entries were among those receiving awards and included:

Special awards to Upland Legion Auxiliary and Gold Star Mothers; special award in the marching division was won by Upland Red Cross and Upland Business and Professional Women's club; Mountain View Citrus association and Upland chamber of commerce were given special awards for their decorated automobiles.

COLLEGE HEIGHTS

Dr. and Mrs. Louis P. Jensen of San Marino called on Dr. and Mrs. F. J. White and Dr. and Mrs. J. V. Latimer on Tuesday. Dr. Jensen is secretary of Baptist Foreign Missions. Friends of Dr. White will be glad to hear that he is recovering from his recent illness.

Mrs. Harold Baird, 1830 West Ninth street, who has been seriously ill for the past two weeks, is much improved.

Chicken thieves have been busy in the neighborhood and took twelve fine hens from Mr. and Mrs. Clay Moores' chicken house.

Loren Moore, who is stationed at Camp Roberts, spent the week end at the home of his parents, Mr. and Mrs. E. J. Moore, 1835 West Arrow highway. Mr. and Mrs. Moore motored with him as far as Glendale, and from there he returned by train.

Mrs. J. J. Sexton of Eighth street and Central avenue returned home Saturday after a four months absence. In Santa Cruz she visited her brother and in Shelton she was the guest of other relatives.

Community cottage prayer meeting was held at the home of Mr. and Mrs. W. C. Clewett, 1841 West Arrow highway on Tuesday evening. Mr. and Mrs. Howard Clewett led a very interesting Bible discussion.

One evening recently about 18 young people of the Upland Nazarene church met for a "welcome home" party for Andrew List at the home of his parents, Mr. and Mrs. E. E. List, South Loma place. The evening was passed quickly in merry games and in listening to Andrews' account of his trip to Maryland. Refreshments were served by the hostess at a late hour. On Armistice day Andrew accompanied friends on a very enjoyable motor trip to San Diego.

Upland Guard Unit Reaches "Last Mile" of Mustering In Drive

"Congratulations for the fine success achieved in organizing the Upland provisional company of the State Guard", were the words of C. E. Grier early this morning when appraised of the progress being made. "I hope that the people of the community appreciate the sacrifice the fellows are making in the interest of civilian defense for the protection of our homes and all we hold dear", he added.

Mr. Grier also said that if he can possibly do so, he will attend the drill session of Upland company next Wednesday evening.

It is only a short march over the hill now for Upland provisional company of the California State Guard to attain its full quota strength of 90 men, needing only some 20 more men to reach its goal and to set a new record for speedy organization of a guard company.

Enlistment of 13 new men at Wednesday evening's drill session, bringing Upland company's enlisted enrollment to 75 men, places the company in position to achieve a final speedy and decisive signup next week.

ONLY 24 TO GO

"Who will be the men to put the local company over the top without delay?" is the question asked by Merle Rash, head of the organizing committee. These last few men, Mr. Rash points out, are the vital quota, and to them will go much of the credit for successful consummation of this important community defense project.

"Response of Upland residents during the past seven weeks of organization has been most gratifying", said Eugene Nisbet, city councilman and member of the organizing committee. "Upland's record is another link in the chain of events which it was revealed at the meeting of the county defense council this week has helped to give San Bernardino county an outstanding record in the entire state for defense organization", Mr. Nisbet added.

EXPEDITE GROWTH

In a final move to achieve the quota for the Upland company, enlistment and physical examination period will be resumed next Tuesday evening, November 18, at Upland city hall at 7:30 p.m. "In view of the fine showing made Wednesday night, enough men should turn out next Tuesday and Wednesday evenings to complete the enlistment quota and make mustering in possible the following week", it was said by Paul G. Hottel, organizing committeeman. "Let Upland set a record that will stand as a mark for others to shoot at", he added.

ACTION DECIDED

The Upland record for enlisting a State Guard company was commended last night by Assemblyman Godfrey Andreas, who said that completion of its organization was highly important in the local defense setup. The assemblyman evidenced keen pride in the record his home community is setting in the defense program.

"Every man who has been "thinking" about joining Upland State Guard company should do so at once and be in for the company's formal mustering in", Mr. Rash declared, and he indicated that this event now is not far off. "It will be a distinction to be a member of this company, which will be one of the first to muster in at full strength" he said.

DRILL VISITORS WELCOMT

Upland citizens are welcome to visit the Upland Lemon Growers association packing house on Sultana avenue and watch the company drill any Wednesday evening. Many attended the drill this Wednesday and were surprised to see the progress being made. Enthusiasm of the men is evident, and has been commented on by many who have seen the progress of the work.

Next week may see the end of the organization period for Upland provisional company, and plans are now under way for a program of consistent training and development to follow mustering in of the company.

The articles listed represent Over 6,250 cars of Valencia oranges were shipped out of California during the four weeks ending October 25.

Try News classified ads! tf

Tigers Sharpen Teeth to Tear Terriers Apart

Promising plenty of competition and excitement, Redlands Terriers will arrive at Chaffey next Wednesday afternoon, November 19, for their contest with Chaffey Tigers. Wednesday's game will begin at 2:30 p.m., the starting time having been moved up 45 minutes.

Last year the Terriers took the Tigers' pelt by a margin of one or two touchdowns, and it was the only game the invaders won during the season.

Venturing no predictions, Coach Howard (Muggs) Mitchell said his Tigers were looking reasonably sleek for the contest with Redlands, having been through four scrimmage practices since the Santa Ana game. Today they will go through another workout for their final grooming.

Only setback faced by the Tigers when they meet Redlands will be the loss of Vernon Henry, left end, who suffered a leg injury in recent scrimmage. However, Henry is expected to be back in shape for the tussle with Pomona two weeks from today, November 28.

MEXICAN CHILDREN ENTERTAIN P.-T. A.

A demonstration of educational work among Mexican children was an interesting feature of the meeting of the Upland Parent-Teacher association held Wednesday, when the parents and teachers met at the Sierra Vista school for Mexicans at 1304 North Campus avenue.

The meeting was held in the school auditorium and the audience took special notice of the display of Mexican handiwork that decorated the walls of the room.

Preceding the meeting the school children presented an expressive musical pageant in three parts.

In the first scene the children sang Mexican songs and played a folk game as it is played in Mexico. This scene was planned to demonstrate the Mexicans' contribution of music and art.

Demonstrating their acceptance of the gift of the American school, the children sang songs and recited poems in English.

The final scene expressed "Our Thanks to America", with the children singing several patriotic American songs.

Concluding their program they gave the salute to the flag and sang "My Country 'Tis of Thee", with the audience joining in both the salute and the song.

MRS EYER PRESIDES

The regular meeting was conducted by Mrs. Geoorge Eyer, P.-T. A. president; with routine business being transacted.

Roll call response gave the attendance awards to Miss Betty Rices' room in the Elementary school and to Robert Rope's room in the junior high school.

Mrs. Ada Hand Quick, principal of the school, who served as co-program chairman with Mrs. Hjalmar Anderson, presented each teacher on her staff and they gave brief explanations of their class work. The three regular teachers are Miss Sinabel Hart, Miss Mary McGilvra and Miss Olive Wilkowske. Others teaching in the school and telling of their work were Miss Katherine Mitchell and Miss Helen McDonough, instructors in music and art, respectively, in the grade schools.

Mrs. Quick then discussed the objectives sought in the Sierra Vista school work and a tour of the class rooms was made.

The meeting closed with a social hour, when refreshments were served. Mrs. Edwin C. Chapman, chairman of the committee, was assisted by Mrs. W. J. Jasche, Mrs. Firestone and Mrs. Dan Stroh.

During the meeting emergency registration cards were distributed to the women with the request that they list the work and equipment they would be able to contribute in time of any kind of emergency.

Crack Fishermen Get Record Crappie Catch

Crappie were either easy to catch or the Upland fishing parties were very adept—as usual—at fishing.

In any event, what is believed to be the largest number of crappie ever brought to Upland in one day came on Tuesday from Lake Henshaw. Who were the fishermen? The roll includes the community's most famous anglers: Leigh Thompson, Mr. and Mrs. Roy Creighton, Ralph Wilson, Ralph Wilson, Jr., Jay Baird and Harvey Biggs, the latter Mr. Baird's son-in-law. Each person got a limit of 15 each.

Incidentally, a beautiful display of some of the choice crappie is featured in Roy Creighton's sporting goods store.
